

Ultimate Aspirator B89025

VITRUVIAN™ Ultimate Aspirator B89025

The Black & Black Vitruvian™ Ultimate aspirator is one of the most powerful, quiet and versatile liposuction aspirators on the market. Powered by two oil-less, rocking piston vacuum pumps, this machine provides excellent suction power along with quiet operation. Its dual voltage motor can be used with 120V/230V electrical service.

Our Ultimate aspirator is carefully designed for optimal performance, with an upright stance and shopping-cart style handle for ease of mobility. Bright LED vacuum

gauges are easy to read. The collection canisters are mounted for ease of viewing during surgery. The single knob control can be adjusted 0 to 29.5 in of Hg vacuum.

While the Vitruvian Ultimate aspirator can be used with all brands of collection canisters, for best performance use Black & Black liposuction canisters (B89140).

- Large 3" hospital grade wheels
- Dual pneumatic foot-switches
- Dual voltage motors 120V/230V
- Bright, easy to read vacuum gauges
- Dual motors for optimal performance
- Quiet operation (50 dB)
- Easy to see collection canisters
- Extendable pole to hold fluid bags
- Convenient storage basket
